Corrigendum for RFP For SELECTION OF AGENCY FOR SUPPLY & INSTALLATION OF GPS / GPRS SYSTEM IN POLICE VEHICLES OF LUCKNOW DISTRICT

S. No	Page	Section	Actual Clause/Ref/sub as in the RFP	Clarification Sought	UPLC's Responses
1.	31	Section V Clause 5.5	This Agreement shall come into effect on ___2014 (hereinafter called the "Effective Date") and shall continue up to the completion of 1 year, subject to fulfillment of the rights and obligations of the Parties under the Agreement. This notice shall confirm that the conditions precedent and effectiveness conditions, if any, have been met.	Both the Clauses Contradicts the Contract Period. Please confirm the Project Duration of the Project Duration of the Proposed RFP. Is it for 1 year or or two years (with warranty and 1 year AMC)	Onsite comprehensive warranty, which includes maintenance of GPS / GPRS Devices and other equipment related to smooth functioning for entire system for One year.
2.	9	Section III, Clause 1.7, Sn 8 & 9	8) All devices will be under warranty for a period of one year. 9) The bidder has to provide comprehensive maintenance for the period of 1 year.	Please confirm the Project Duration of the Project Duration of the Proposed RFP. Is it for 1 year or or two years (with warranty and 1 year AMC)	Refer to Sn 1
3.	10	Section III, Clause 1.7, Sn 13 (e)	The Selected agency shall upload, installed and configure GPS Monitoring Software for tracking of Police Vehicles on Police Control Room Server. The GPS Monitoring Software should be capable to be integrated with other GPS based software(s) already running in Police Control Room Server. The Selected bidder shall also responsible to provide, upload & install all updates and patches of GPS Monitoring Software at Police Control Room Server for one year.	Kindly Confirm whether server required for the set up of GPS Monitoring System will be provided by UPLC or the selected Agency has to procure it. Also Confirm whether the deployment of procured server is to be done at the Police Control Room (Head Quarter) or the Data Centre of the Selected Agency.	The Server will be provided by Police Department at the Police Control Room (Head Quarter) or location specified by the Police Department.
4.	10	Section III, Clause 1.9	GSM Module: Tri band	We recommend the department to consider higher configuration of GPS module as well as like quad band series as it offers multiple and higher frequency range	As per RFP

S. No	Page	Section	Actual Clause/Ref/sub as in the RFP	Clarification Sought	UPLC's Responses
5.	10	Section III, Clause 1.9	GPS Module: SIRF3 Chip	There are multiple brands available in the market with higher and better specifications henceforth; we would suggest the department to consider other brands of GPS Module as well that satisfies the minimum requirements of 50 channels or more.	Other brands of GPS Module that satisfies the minimum requirements of 50 channels or more may also be considered.
6.	10	Section III, Clause 1.9	Internal GSM antenna and external GPS antenna	As per Scope, the Vehicle Mounting Units should have inbuilt GPS and GSM Modules for real time tracking of Vehicle. Therefore, we propose that internal GPS & GSM antenna should also be also considered under the Scope	As per RFP
7.	11	Section III, Clause 1.9	Integration with Google Earth: Reports can be viewed on Google Earth with customizable refresh rate.	Kindly specify whether Police Department has the necessary license of Google Earth or would it come under the Scope of Selected Agency	Integration with Google Earth / Google Map / any other similar application: Reports can be viewed with customizable refresh rate.
8.	13	Section III, Clause 1.10	The selected Bidder shall be required to Install & run the said GPS / GPRS System within 01 week from the date of issuance of LOI / Work Order.	In Order to install & Run the said GPS / GPRS system in 01 week from the date of issuance of LOI / Work Order, we request UPLC to provide necessary support as and When Required	As per RFP
9.	13	Section III, Clause 1.13	The selected Bidder shall get a final Acceptance sign off receipt within 7 days of the successful installation of GPS / GPRS System at the Vehicles specified by UPLC / SSP Office, Lucknow	We request UPLC to provide necessary support as and when required	As per RFP
10.	33	Section V, Clause 5.13	Payments will be released by UPLC only on satisfactory acceptance of services by UPLC/SSP Office, Lucknow.	Kindly specify What percentage of payment shall be released after successful acceptance	<ul style="list-style-type: none"> On Delivery & Installation: - 100% will be released on delivery and successful installation at customer sites of the goods received & on submission of Bank Guarantee @ 10% of the order value valid for warranty period, otherwise 90% payment will be released

					and Balance 10% will be released after expiry of the warranty period subject to satisfaction of client department and subject to the receive of payment from the client department.
11.	34	Section V, Clause 5.14, Sn (a) II	The invoice shall be submitted along with the necessary approval/sign-off/acceptance certification for the respective deliverables linked with the payment, failing which the UPLC reserves the right to reject the invoices	Please Clarify the respective deliverables and payment against each deliverables	As per RFP
12.	34	Section V, Clause 5.14, Invoicing	Payment for invoices shall be made within 30 working days of the receipt of Invoice by UPLC upon completion of the said activities as mentioned in the Agreement.	The payment Terms & Invoicing Clause does not specify whether the payment will be made on monthly / quarterly / annual mode. Kindly Confirm	Refer to Sn 10
13.	17	Section IV, Clause 4.1, Sn (a)	The Bidders should submit their bids online only in the Submission module of e-Procurement website http://etender.up.nic.in .	Apart from the cost of Tender Document & EMD Amount, kindly confirm if any other document is to be submitted in hard copy as Well.	Apart from EMD and Cost of Tender Document, all Documents shall not require to be submitted in Hardcopy.
14.	10	Section III, Clause 1.7, Sn 13 (e)	The Selected agency shall upload, installed and configure GPS Monitoring Software for tracking of Police Vehicles on Police Control Room Server. The GPS Monitoring Software should be capable to be integrated with other GPS based software(s) already running in Police Control Room Server. The Selected bidder shall also responsible to provide, upload & install all updates and patches of GPS Monitoring Software at Police Control Room	We just want to inform you that to establish a server with GPS Monitoring Software, we must need a good configuration of server hardware, High Speed Internet Connectivity with static IP address, and uninterrupted powers supply. For the tracking of approx 35 nos vehicle, it is not technically feasible to setting up and maintaining the above-mentioned infrastructure and the cost of the entire system will go completely out of budget.	As per RFP
